About

La Firma interiors, specialized in interior design and covering Office and residential spaces mainly. We have successfully completed projects in different Emirates from an office space to penthouse.

We established the company with the vision of creating memories by evoking a sense of place on a journey through surprise, discovery, desire and imaginations. Each one of our projects is defined by its unique concept, functional approach and it delivers special experience through the fusion of design and function.

La Firma is a group of versatile, dynamic and creative interior designers with one united aim to deliver signature interior solutions where each project is considering a masterpiece; to reach there we are consistently putting our efforts through every phase of the design and construction process. Our goal is to meet the specific needs of each client with creative and appropriate design solutions and it is our belief that the integration of all the complementary design disciplines results into exceptional memories.

We emphasize the process of creativity to follow the practices from hand sketch to digitization and project management with best practices and methodologies – Our work is driven through the passion and commitment with dedication to our clients and work.

What we do

La Firma do focus to follow the complete definition of “design” where function is more important and in interior design mostly clients are facing issues when it comes to conversion of design into materialistic form and realize many design elements don’t have any relation with practical design.

Unique client experience from a professional interior designer that is qualified and capable of meeting the needs of discerning clients with high expectations.

Create interaction between the client and his project by providing 3D visualization services to see how this project will look after construction or renovation.

Access to a wide and unique selection of new furniture, artwork, accessories, and special-order decorator fabrics.

Personal assistance from a complementary product offering that fit the look and objectives of each project.

Vision

“Becoming the most reliable innovative interior designing firm in the UAE”

Mission

“Providing creative and high quality project design services in the UAE market”

Slogan

“ Modelliamo di lusso ”

Services

CONCEPTUAL DESIGN

Developing the project brief where key objectives are outlined, design and construction programs are formed, and a budget is agreed upon. Further, gathering and refining initial ideas to form a unique design concept. Sketches, preliminary plans and material swatches are presented to communicate design intent.

DESIGN DEVELOPMENT

Developing the Conceptual ideas into a fully functional design solution, including spatial planning. Joinery design and the selection of finishes, fittings and lighting.

FURNITURE DESIGN

Furniture items are the most important part of a space, it involves the developing of the bespoke furniture items as per the need of the space, requirement, design, function.

LANDSCAPING

The process of making a garden or other piece of land more attractive by altering the existing design, adding ornamental features, and planting trees and shrubs.
